

Parents of 3rd and 4th graders,

Holy Ghost Catholic School is pleased to announce that we will again be forming our 3rd and 4th grade basketball teams for boys and girls. All 3rd and 4th grade HGCS students are encouraged to participate as we will try to form as many teams as needed in order to allow any child who wants to participate to do so. There are no tryouts or cuts. Will Bordelon will be coaching the boys and Casey Potts will be coaching the girls.

**Cost, Physical, Additional Forms:**

The cost to play on the team is \$65. Make the check payable to "Holy Ghost Catholic School". Each child will get to keep their uniform and receive a size 5 basketball. You must have all forms completed and turned in along with your playing fee before the end of the school day on **FRIDAY, JANUARY 31ST** so that we know your child is committed to the team.

You must have the following turned in or on file with the office in order to play:

- Playing Fee (will be charged to RenWeb account)
- Registration (bottom of this letter)
- Physical (can be obtained from your general doctor)
- Athletic Consent Form (see the attachment from the school email)

**If the physical, registration (the bottom of this page), consent form (additional attachment) and participation fee are not turned into the office by the afternoon of FRIDAY, JANUARY 31ST your child will not be on the team.** More emails will follow explaining team assignments, practice times, etc.

**Uniform Size:**

Please include your child's short and shirt size on the form below when sending in your playing fee, physical and consent form. Please do not put a number in place of the size. Please put YS, YM, AS, etc.

**Contact Info:**

Please make sure that the office has the correct contact info in RenWeb for anyone who may need to be included in correspondence for your child. Your email should be one that you check often. Email is the easiest way for information to be sent out about practices and game schedules. It's also the fastest way for info on last second changes, should there be any.
