

Holy Ghost Catholic School Remote Learning Guidelines 2020-21

- Remote Learning will begin on Monday, Aug. 10.
- Parents of students participating in RL will have to pick up the child's books, iPads, passwords, etc. this Friday, Aug. 7, between 8:00-2:30.
- Holy Ghost will supply the iPad for the students to do the work, however, it is the responsibility of the parents to provide the means for the child to view the lesson via Zoom.
- The camera will be situated in a central location of the classroom to best record the teacher's lesson for all Remote Learners.
- The camera will be turned off during Enrichment Periods, lunch, recess, and classroom independent practice times.
- Remote Learners will not be able to communicate with the teacher/class during the Live Streamed lessons. The teachers will inform parents as to when they will have set "office hours" to answer questions for students and parents.
- Students participating in RL must wear their school uniforms. They can have a water bottle, but no other food may be eaten while they are on Zoom. (Basically, they are following the same guidelines as if they were at school.)
- Attendance for Remote Learners will be taken at the start of every class. Students must be logged into the live video to receive credit for attendance.

- If a Remote Learner is absent for the day, the teacher/school must be contacted.
- The teacher will post the student's work daily for him/her to have available during the lesson.
- Students will be required to take all assessments (tests) while the class is being Live Streamed.
- All work will be submitted via the learning platforms Google Classroom (PK-4th) or Schoology (5th-8th).
- Communication with the student and/or parent will be done via the learning management platform that is used by that grade level and email.

I understand that my child will be viewing live unedited classes. These sessions are to be used for educational purposes ONLY. Any public sharing of videos or information viewed in the lessons will be subject to disciplinary action from the school.

I understand that any scrutinizing or judgements made regarding a teacher and/or her pedagogy will not be tolerated.

I understand that my child will be required to return his/her work on time or his/her grade will be affected.

I understand that if my child cannot attend a live session due to illness, or other circumstances, the same attendance policy regarding excused/unexcused absences will be followed as is for all students.

I understand that the privacy of our students is of the utmost importance. Any violation of student privacy will result in disciplinary action.

Please sign the signature page below, indicating that you have read and agree to all of the Remote Learning Guidelines.

Holy Ghost Remote Learning Guidelines Acknowledgement Form

I have read and agreed with all of the Remote Learning Guidelines.
