Summer 2023 Language Arts and Math Requirements

All HGCS students **ENTERING** 1st-8th grades will be required to complete Math and Language Arts assignments.. **These summer assignments will be used as the first formative grade for the 2023-24 school year.**

Sixth grade students will work on the computer-based program IXL for required summer Math. Students will go to the website ixl.com to access their skills. Using the same username and password from the previous school year, students will complete the skills listed for their grade level. (If your child has forgotten/misplaced his/her username and/or password, please call the school office during regular summer hours or email Mrs. Cindy Wagner – cwagner@hgschool.org for that information.)

Please note that to receive credit: (no partial credit given)

   *Students should look for the **title** of the skill and work on that **exact** one. A link for each skill is provided in the skills chart.

   *All skills must be completed from **June 1, 2023-July 31, 2023**. If a skill was completed during the school year, **it must be completed again to have results in this date range**.

   *Students must complete each assigned skill to **80%** or above.

   *Students will work the IXL skills in the grade level they **are exiting** from the 2022-23 school year as indicated in the assigned skills chart. (For example, if your child is entering 6th grade, he/she would work the skills from the 5th grade IXL skills.)

   *See skills chart for assignments. (posted on our website)

   *All written work must be shown/turned in for full credit.

In addition, students are assigned a choice in **one** of the novels, *"Restart"* or *"The Unteachables"*, both by Gordon Korman. A formative assessment will be given upon the students' return to school.

If you have any questions during the summer months, please email Mrs. Cindy Wagner at the aforementioned email.
